Scotts® LAWN SEED Top quality blend of all perennial grasses that make the deluxe lawn in full sun or moderate shade. Triple cleaning plus rigid laboratory control assures 99.91% weed-free quality. Goes much farther in sowing than ordinary seed. One pound plants 500 sq ft (25 x 20 ft).

Scotts® "SPECIAL" Seed Selected blend of quick growing grasses that thrive in good or poor soils. Produces rugged turf in a hurry so it is ideal for late spring plantings of new lawns. Does well in shade or in full sun with ordinary care. One pound plants 250 sq ft (25 x 10 ft).

Scotts® BENTGRASS The same pure seed used by golf clubs for the finest putting greens. Sow separately or mix with other Scotts seed if more bentgrass is desired. One lb sows 500 sq ft.

Scotts® Blend of Bluegrass This is a combination of the best varieties of Bluegrass including Merion and Poa Trivialis. It is made available for those who want to plant Bluegrass by itself and understand it is slower in development than some other blends.

CLOVEX — newest development of Scotts Research is a blend of Scotts Clover Seed and organic carrier. Now you can sow clover seed evenly and without waste — get a better blending of clover and grass. Easy application from shaker box or with a Scotts Spreader.

Scotts® CLOVER Available separately since Clover is not included in Scotts blends. This is the finest quality, high germinating seed.

TURF BUILDER® is the complete grassfood. Formulated by Scotts especially to keep lawns healthy, vigorous and sparkling green. No offensive odor before or after use. Turf Builder feeds lawns better for less — use 1 lb per 100 sq ft instead of 3 lbs required of ordinary fertilizers.

Scotts® SPREADERS These practical carts enable the amateur to do a quick, accurate job of feeding, weeding and seeding. All of sturdy steel construction, rubber tired. Hang up out of way in garage when not in use. See illustrations on back.

Scotts Wand & Touch Combo — Slick new Scott product for spot weeding. TOUCH is new name for veteran weed killing compound 4-XD. Unit consists of ScottsWand and 2 cans of TOUCH. No mixing — ready to use when you get it.

4-XD® Weed Control Clean, granular compound of 2,4-D easily broadcast by hand or spreader, quickly cleans out Dandelions, Plantain, Buckhorn, other broadleaved weeds without harm to grass.

WEED & FEED Unique compound combining 2,4-D and fertilizer that simultaneously kills broadleaved weeds as it feeds the grass to greater health and beauty. Excellent for restoring run-down lawns. Helps grass fill in as weeds wither away. Apply with Spreader.

SCUTL® Crabgrass Control SCUTL has three important uses as a Lawn Treatment: (1) a specific control for Crabgrass (2) destroys seedling sprouts of weeds and grasses (3) curbs damage of fungus diseases. Easy to apply with a Scotts Spreader. Repeat treatments required.

LAWN & TURF Pest Control Effectively protects lawns from damage by Beetle Grubs, Chinch Bugs, Webworms, curtails activities of annoying Chiggers and Ants. Scotts Pest Control is a dry formulation of 9% active Chlordane, easily and quickly applied with a Scotts Spreader.

LAWN CARE Books Digest of earlier issues assembled in paper file or loose-leaf binder.

NOW

...the first really practical way to spot treat weeds. No tedious mixing of smelly solutions, nothing to fill or spill.

Scotts Wand & Touch — Modern wrought iron construction . . . so easy to use.

Snuff out Dandelions, Plantain, Buckhorn, Ground Ivy, Chickweed with no harm to the grass.

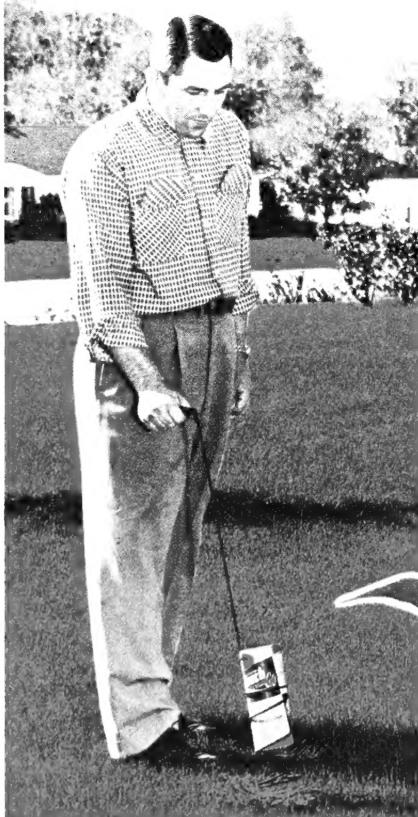

Easy does it — a stroll over the lawn, a TOUCH here and there, and the weeds go. TOUCH is the nickname for veteran weed killing compound — Scotts 4-XD. It comes in a handy can with a shaker lid. Slip can into the spiral of the Wand, touch the growth as you walk and the deposit of granules does the rest.

Scotts Wand

plus 2 cans of TOUCH —

\$2.58 prepaid.

Order this special unit now, be ready when weeds begin to pop.

Spring Lawn Fix-Up is a breeze with a **Scotts® SPREADER**

These handy carts make it easy to sow a beautiful Scott lawn scene this spring. Simply fill the hopper with TURF BUILDER, walk over the lawn to feed your grass evenly and accurately. Trees, sidewalks are no problem. Easy on/off on the handle enables you to drop the grass food right where needed — not a particle is wasted.

The positive rate control on the Scotts Spreader makes possible the economical and pin-point seedings. If weeds are a problem, you whisk them away with the same faithful spreading cart.

No 25 \$12.85

No 25 — Lightweight and easy to handle, designed for the medium size lawn. Spreading width 17 inches. Hopper capacity to treat 2500 sq ft with one filling. *Hang-up bracket included* — \$12.85

No 65 — Deluxe and a sensible investment for the larger lawn. Spreading width 23 inches. Big hopper capacity. Treat 5500 sq ft with one filling in 15 minutes. Wide cushion rubber tires make it easy to push with a full load. *Hang-up bracket* — \$19.50

No 100 — The estate size model for professional landscapers and folks with big lawn areas. Spreading width 36 inches, treats $\frac{1}{4}$ acre with one filling. Moves along on semi-pneumatic tires. — \$44.50

JUNIOR SPREADER \$7.95

Small but accurate. Excellent value for use on the lawn of lesser area. Hopper capacity to treat 1000 sq ft. Lightweight but sturdy.
